

MROQC May 13th Collaborative-Wide Meeting

Thank you all for those who were able to attend the Collaborative-Wide Meeting on Friday, May 13th. It was so great to see so many of you in person!

Thank you to our guest speaker, **Tiffany Fields**, from Henry Ford Hospital representing the **PRIDE Group**. Tiffany brought great insight to the LGBTQ+ community.

- June Database Updates
- Tobacco Cessation Resources
- 2022|2023 Collaborative-Wide Meeting Schedule

Mid Year: July Reports

We are now in the final quarter of quality measure assessment for 2022. The reports showing performance for 1st and 2nd quarters of 2022 will be available in your site-level Dropbox folder on Friday, July 15th. Look for the email with the link to your report on Friday morning.

Please be sure you are reviewing your reports to verify your site's compliance with the current quality measures. More than one red X could mean losing eligibility for Gold Card and CQI VBR for 2023.

Questions about the information in the reports or issues accessing your site folder? Please contact support@mroqc.org.

June Database Updates

Thank you all for your patience while we updated our databases last month.

Highlights of our project changes:

- We are now collecting the new **tobacco intervention question** and **expanded the cannabis use questions**
- The patient follow-up survey (**P5**) can now be completed by **PAPER** or email
- **Surgery patients are eligible for the lung project** if they have surgery after completing radiation or if the surgery is unrelated to their current lung cancer diagnosis

Please see the **MROQC Member Resources** section of our website to access the latest documents.
